

To our Friends and Supporters,

With commitment, resilience and strength, The Lend A Hand Project is providing continued financial assistance and emotional support to the more than 1,000 Recipients who we serve on Long Island. Despite the recent challenges imposed on all of us during these difficult times, The Lend A Hand Project—thanks to your support—has been able to continue fulfilling our mission.

Clearly, the work we have accomplished speaks to the devastating circumstances affecting our Recipient families. However, we cannot continue this without YOU! The daily stresses and struggles our Recipients face are only magnified by the current pandemic. We ask you to please help us NOW more than ever to fulfill our mission.

Please make your donation now.

We are all in this together!

THANK YOU AND STAY SAFE!!!
